Mulmur Township

About Mulmur *"Follow your heart".*

Mulmur Township is considered a wee bit of heaven tucked away at the north-east corner of Dufferin County, about an hour's drive north-west of the City of Toronto. Mulmur straddles the famous Niagara Escarpment, a UNESCO World Biosphere Reserve. The escarpment itself consists of steep slopes and river valleys surrounded by extensive forests. Below it, Mulmur descends into gently rolling farmlands and rural areas.

Restaurants, Shopping, Art and Sports

Mulmur keeps you curious. Find local delicacies in our restaurants and farmers' markets, peruse unique shops and artisans' studios. Go horseback riding in Ontario's only 1200-acre dude ranch, enjoy fishing, hiking, biking downhill or Nordic skiing, snowshoeing and snowmobiling. After your day of exploring the breathtaking vistas, kick back and relax in our hidden paradise.

Schools

Primrose Elementary School is a rural JK to Gr.8 school located just north of the Primrose corner of Hwy 10 and Hwy 89. Students and staff enjoy a picturesque setting in the hills of Mulmur. Students who graduate from Primrose move on to **Centre Dufferin and District High School** in Shelburne. Both School Council are very active and supports a number of student activities throughout the year.
